Pre-Kindergarten Application Information

We are now accepting applications for the 2018-2019 school year. The pre-kindergarten program is designed to provide services to children with special education needs within an inclusive setting. Peer models are accepted on a limited basis. Slots are available for morning (Tuesday-Friday 8:30-11:30) and/or afternoon (Monday-Thursday 12:30-3:30) classes.

The selection of peers is made by program staff and administrators based upon previously determined criteria and a play-based screening session. Invitations to the play-based screening will be sent to applicants and their parents in May.

Eligible children must be three years of age by August 31, 2018 and cannot turn five before January 1, 2019.

Please return the completed application and Ages to Stages questionnaire to Center School by mailing it to Lori Paolini or by dropping it off at the Center School office. **Applications are due by May 1, 2018.**

Applicants will be notified by June 8, 2018 if their child was accepted into the program.

Please note: Peer slots for the Center School pre-kindergarten are limited. If you want to be assured that your child can attend preschool next year, please enroll them in another preschool or nursery school program in addition to filling out the attached application.

Thank you,

Center School Staff

Engage in Excellence

Willington Public Schools, through a partnership with students, parents, staff and the community will provide exceptional instruction in a positive and engaging environment of inclusion where students achieve their maximum potential.
